OUR FACILITIES

Girlguiding Ayrshire North are delighted that you are interested in visiting Blair Activity Centre for your next adventure!

Our site is set within 8 acres of North Ayrshire countryside and offers camping, indoor accommodation in wigwams, an amenity block & an activity centre.

WIGWAMS

We have 5 wigwams that each sleep 5 on a raised bed area which folds up to give a comfy seating area in the day.

Each wigwam has an electric panel heater (and fuse box) and storage area. One has a ramp to enable wheelchair access.

For the leaders, we have a wigwam that sleeps 4 with the luxury of an en-suite shower room.

OOR CHALET

Whether you book the wigwams, and/or choose to camp, you will also have the use of Oor Chalet which is our amenity block/wet weather accommodation.

It provides a fully fitted kitchen (5 ring, double oven, electric cooker, microwave oven, fridge and all utensils); camp store with space for tables and chairs for indoor dining or activities, large fridge & separate freezer; accessible toilet with shower; toilet facilities comprising 3 WC cubicles, 2 basins and 2 showers. There are also 2 outside belfast sinks.

BADGER HALL

Built in 2018, our fully equipped activity centre is available for hire in addition to your residential booking.

The main hall offers a bright space ideal for indoor activities and dining. The adjacent kitchen area is fully equipped with a 7 ring double oven gas cooker, microwave oven, 2 fridges, utensils and plenty of crockery and cutlery. The layout of the kitchen offers the ideal setting for baking or cookery sessions with your group. As well as ladies’ gents’ and accessible toilet facilities there is also a spacious entrance area for outdoor gear.

The building is centrally heated, and is equipped with a fire alarm system and automatic lighting to toilet areas. Ramped access to the front direct from the parking area.

Booking this space for your residential will guarantee exclusive use of the site.

THE IMPORTANT STUFF

ACCESS AND KEYS

You will be advised of the relevant access codes shortly before your visit.

ELECTRICITY

Chalet - Fuse Box is found next to the emergency exit (Back left corner as you enter the main door).

All switches should be up on the 'ON' position.

Wigwams - Fuse Boxes for each Wigwam are found to the bottom right of the main door under the cupboard. **Please switch the fuse boxes off after use.**

Badger Hall - Fuse Box found in the Plant Room adjacent the Cleaning Cupboard in the entrance hall (Right to the main entrance door)

BOILERS

Badger Hall - The combi boiler is in the kitchen. To switch it on, please follow the instructions that are printed on/beside the boiler.

Chalet - The boiler can be turned on with the two switches to the right of the Fuse Box. Will take approx. a couple of hours to heat the water.

TELEPHONE

There is no landline at the site. Most mobile networks receive a signal although you may have to go outside.

BEDDING & TENTS

No bedding & tents will be provided - you will need to bring your own tents, sleeping bags, pillows and pillowcases.

KITCHEN

The kitchens in both Oor Chalet and Badger Hall have utensils, cutlery, crockery, bowls and trays. You will need to bring your own cloths and dish towels.

In Badger Hall when using the gas grill, please keep the grill door open while cooking.

Please note that deep fat frying is not permitted in either building.

RUBBISH AND RECYCLING

At present we have no rubbish collection facility. Please take all your rubbish home.

SEPTIC TANK

We have a septic tank on site so **please do not use any products containing bleach or anti-bacterial products.** All cleaning products are provided - please do not bring your own.

The septic tank cannot dispose of sanitary towels, tampons etc - please use the bins provided.

Risk assessments for all site facilities & activities are available to download from our website.

FIRE SAFETY

On arrival you should familiarise yourself with the Fire Instructions (see Notice Boards), fire extinguishers and fire blankets. There are also Break Glass points in Badger Hall.

Smoke detectors are located in all the buildings on site. There is a fire alarm in Badger Hall with the control panel at the main entrance.

No smoking on site, including e-cigarettes.

Leaders must complete a risk assessment before lighting any fires. You should only use either the alter fire pit adjacent to the wood store, or the portable fire pit which is kept in the wood store and to be used only on gravel surfacing.

Ensure fire buckets are in place before lighting any fires and do not use flammable liquids to start fires.

Spray from aerosol cans can set off fire alarms – **please do not use.**

Please check any portable electrical equipment is safe before bringing it on site. Items should be PAT tested. Please advise us if you are planning to bring any specialist items e.g. bouncy castle with generator.

Fire Instruction Summary: **Evacuate the building and dial 999**
